As a valuable member of our community, your company can help us to achieve the goals we have established for our organization. Some of these goals include making our playing fields, and all the facilities, nicer and safer places for our children as well as those visiting from other towns. We are also looking to invest in new equipment that meets the highest safety standards to ensure our children are safe while having fun. We are doing our best, as well, to keep costs down for the families in our town.

All of these goals and so much more can be done with the help of local business and companies in our community. With your help, we are one step closer to reaching the goals we have set for ourselves and, in turn, making the children participating in our sports programs absolute “winners.”

Below is a list of what your business will receive with your donation. Please make all checks payable to “Waterford Township Athletic Association” and send to the address listed below. With baseball season quickly approaching, we would appreciate all donations be made no later than February 23rd, 2010.
